THRU : The Chief Enforcement and Monitoring Section
DENR, CENRO, Belison

FROM : FR Roderick L. Orfelia

SUBJECT : NARRATIVE REPORT ON THE APPREHENDED FOREST PRODUCTS (LUMBER- ANTIPOLO), A NATURALLY GROWN TREE SPECIES AT BRGY. BARASANAN B, TOBIAS FORNIER, ANTIQUE.

This is in connection with the apprehended Forest Products (Lumber-Antipolo) by PNP Tobias Fornier, Antique.

On July 17, 2022, at about 11:00 o'clock in the morning, the undersigned received an information through phone call from personnel of PNP Tobias Fornier requesting for assistance regarding the apprehended lumbers along the barangay road of Brgy. Barasanan B, Tobias Fornier, Antique.

Relative to this, the undersigned proceeded and coordinated with the personnel of Tobias Fornier Municipal Police Station. After which, we proceeded to Brgy. Barasanan B, Tobias Fornier, Antique and conducted verification and investigation. Upon arrival, the team coordinated with the Brgy. Officials of the above-mentioned barangay specifically to Punong Barangay Hon. Johny Frencillo and Brgy. Kagawad Glen Emar. Right after, we inventoried and scaled the apprehended lumbers. The team identified the lumber as Antipolo a naturally grown tree species. There were fourteen (14) pieces of lumber with an equivalent volume to 285 bd. ft. or .67 cu.m. Below is the tally sheet:

TALLY SHEET OF APPREHENDED ANTIPOLO LUMBER/FLITCHES

No. of Pcs.	Species	Dimension	Volume (bd. ft.)
11	Antipolo	2 X 6 X 24	264 bd. ft.
3	Antipolo	2 X 3 X 14	21bd. ft.
Total: 14pcs.			285 bd. ft. or .67 cu.m.

After the scaling, the team conducted further investigation and findings were as follows:

1. According to PSSg. June Frances Dela Cruz and PSSg Rene P. Basilio, the above-mentioned lumbers were cut in Brgy. Opsan, Tobias Fornier, Antique and transported to Brgy. Barasanan B, Tobias Fornier, Antique without pertinent documents; then, stockpiled along the barangay road of the said barangay;
