

## TRAVEL ACCOMPLISHMENT REPORT

T.O. No. 2022-1986 (August 2-5, 2022)

| Purpose of Travel  | Accomplishment  |
|--|---|
| To conduct inspection, validation and inventory of NGP, Mangrove areas within the Municipality of San Lorenzo and conduct geotagging of NGP Sites at Barangay Tacay, Buenavista. | The undersigned conducted inspection, validation and inventory of NGP areas specifically on Mangrove and Beach Forest (MBFDP) from Barangay of San Enrique and Bottoms-up-Budgeting (BUB) from Barangays of San Enrique, Suclaran, Cabano, Igawayan and Sebario. The team were divided into two groups composed of PFMU Staff and Student/Volunteer from West Visayas State University-College of Agriculture and Forestry (WVSU-CAF) as assisted by respective Barangay Officials. The data gathered were the name of species, diameter, height and other observations like barnacle infestation, presence of algae and debris. Also, together with PENRO Edgardo M. Rostata, SVEMS Leonora T. Magno, Planning Officer I Fraulein Dolorfino and Project Support Staff Romar Susbilla, conducted geotagging of NGP Sites specifically in 2014 NGP, Fuelwood Commodity and E-NGP Mangrove Commodity. |
