SUBJECT : **NARRATIVE ACCOMPLISHMENT REPORT ON THE APPROVED TRAVEL ORDER DATED JULY 19-22, 2022.**

In compliance to the approved travel order dated July 19-22, 2022 please be informed that the team from CENRO-Belison Personnel composed of FT I Mark John V. Bretania and FEO Felimer M. Fulgencio undertook and accomplished the following activities, to wit:

On July 19, 2022 the undersigned together with PO President Jocelyn Beriong, PO Treasurer Annalyn Dubria and other PLUFA members travelled to Brgy. Banbanan, San Remigio, Antique to conduct technical assistance and continuously supervision to the Maintenance and Protection Activities E-NGP CY 2021 & 2020 of PLUFA and to assist the distribution of payment on their 2nd quarter of CY 2020 and 1st Semester of CY 2021 accomplishment. Before proceeding the undersigned drop off and coordinated to Brgy. Captain of Banbanan Anthony Beriong for coordination and discussed with him the purpose of travel. Upon arrival to the barangay the undersigned instructed the PO Officers to gather the other PLUFA members for a short meeting regarding on their on-going 3rd quarter activities which includes replanting, ring weeding, fertilizer application and patrol works. The undersigned instructed the PLUFA members to finish their activities before August 21, 2022 and majority of the members agreed to specified schedule, after discussion the undersigned instructed the PO President, Vice President, Treasurer and Secretary to facilitate the distribution of payment.

On July 20, 2022 the undersigned together with FT I Mark John V. Bretania, IUFA President Anastacio Dubria and IUFA members JR Salvador proceeded to Brgy. Iglinab, Valderrama, Antique to monitor/update and provide supervision on the status of accomplishment of Small Water Impounding Structure (SWIS) and to the 3rd quarter activities of IUFA such as replanting, ring weeding, fertilizer application and patrol works.

FINDINGS/OBSERVATIONS

- Plastering outside the tank was already started and as of July 20, 2022 it was 75% accomplished.
- Spring box 1 (main source concreting of walls were already accomplished, by July 25, 2022 concreting of ceiling will be taking place.
- Lay outing and concreting on foundation of spring box 2 (initiative) were already start.
- Every Sunday the PO members conducted/resume the maintenance and protection activities on E-NGP project as regular target stipulated based on their Work and Financial Plan.
- Additional order/purchased of cement (40 bags) and 12 mm steel bars (30 pcs.) for spring box were ordered and to be delivered on July 08, 2022.
- Five (5) rolls of SDR 11 PVC Hose were already put on the identified route from source to tank and on-going hauling of the remaining rolls going to site.

RECOMMENDATIONS

- Regularly supervision and technical assistance to the IUFA members regarding on the implementation of SWIS project especially on target/accomplishment and financial aspect.
- Regularly monitoring of activities and fast track the target and to be completed before the end of 3rd quarter.
- The PO President should undertake the supervision on the flow of activities on the site in the absence of site coordinator.
- Strategize the flow of activities so that the quarterly target activities for maintenance and protection of E-NGP CY 2020 project will not be hampered.

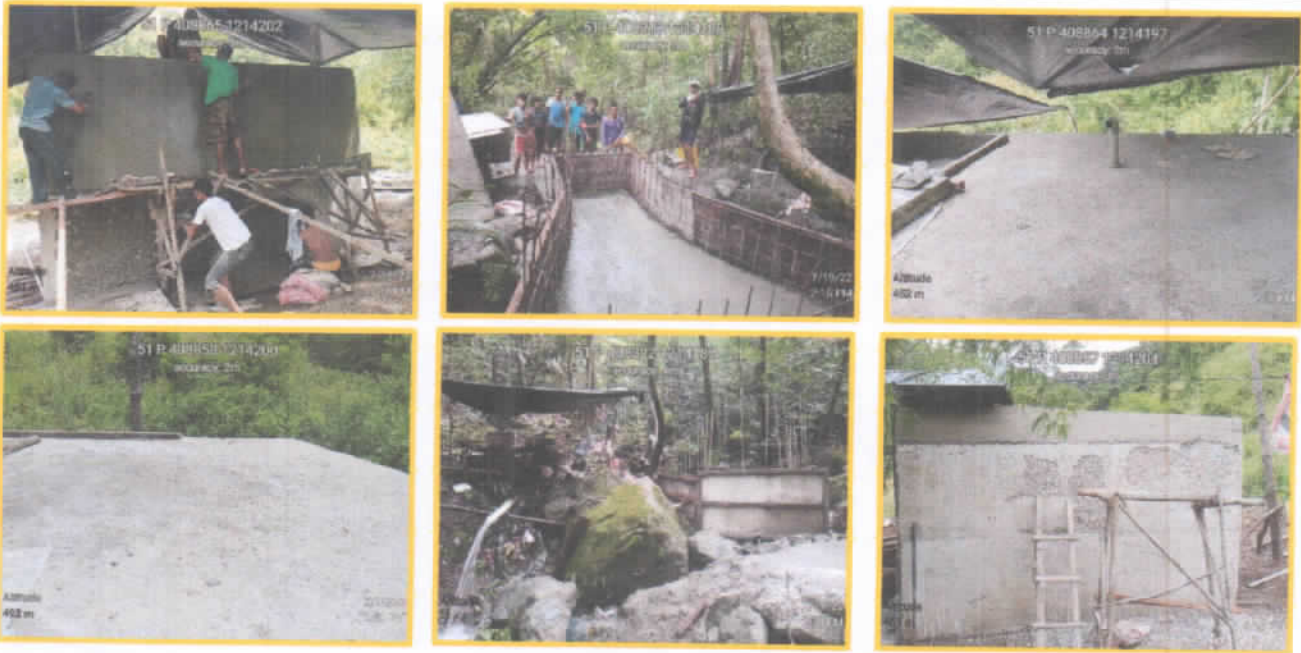

On the following day July 21, 2022 the team from CENRO-Belison Personnel composed and headed by Chief CDS Russel Y. Rizado, FT I Mark John V. Bretania, FEO Michael John E. Bretania and FEO Felimer Fulgencio travelled to

Brgy. Gen. Fullon, San Remigio, Antique to conduct site visit on the on-going activities in Enhancement Project of Graduated sites of E-NGP CY 2018. Upon arrival to the Brgy. Iglinab, Valderrama, Antique the team coordinated to GFRTA President Ben Francisco for courtesy call purposes and discussed with him the purpose of travel. Right after, the team accompanied by GFRTA President and IUFA members JR Salvador directly jump off to graduated sites E-NGP CY 2018. Upon arrival to site some GFRTA leaders/members conducted replanting and ring weeding activities on their fruit trees areas, subsequently the team headed by Chief CDS Russel Y. Rizado instructed the assigned site coordinator to gather the members for a short meeting with regards on enhancement activities and maintenance and protection activities on E-NGP CY 2021 and CY 2020 Project. Most of the leader assured and set the date to finish both activities, and agreed to accomplish on/before August 20,2022.
