MEMORANDUM

FOR : CENR Officer
DENR, CENRO, Belison, Antique

THRU : **RUSSEL Y. RIZARDO**
The Chief, Conservation and Development Section

FROM : **FEO JOVELYN C. CABAYA**

SUBJECT : **ACCOMPLISHMENT REPORT IN COMPLIANCE WITH THE TRAVEL ORDER DATED AUGUST 3-5, 2022.**

In compliance to approved Travel Order dated August 3-5, 2022, the undersigned travelled to Brgy. Panpanan II, San Remigio, Antique to extend technical assistance to the PO of MUFA on the conduct of Enhancement planting of the NGP CY 2015 & NGP CY 2017 graduated site and Conduct IEC meeting to the PO members of MUFA on the 3rd quarter activities under the enhancement planting within the jurisdiction of Brgy. Panpanan II, San Remigio, Antique.

On August 3, 2022, the undersigned travelled to Brgy. Panpanan II, San Remigio, Antique and proper coordination to PO president Leonardo Capitle and discuss with him the purpose of travel on the following day.

On August 4, 2022, the undersigned together with the eighty (80) members of MUFA proceeded to NGP CY 2015 project to extend technical assistance to the PO of MUFA on 3rd quarter activities such as hauling, brushing/Ringweeding, holedigging and planting on the area of low survival rate. Upon arrival at the established plantation, the undersigned surveyed the area planted and took geo- tagged photos, however, despite the fact that the undersigned already demonstrated the proper spacing and instructed them to follow 4x 5 as required, irregular spacing in some portion of the plantation were also observe, therefore, the undersigned corrected and reminded the PO's to follow the standard spacing for indigenous commodity.

The PO replanted a total of 3,200 indigenous commodities such as Pangadlawan. And Narra

After the activity, the undersigned conducted an IEC meeting with the POs to tackle issues and concerns on their on- going activity. And for them to be able to cope up with the targeted deadline of accomplishment for the said activity, the undersigned initiated the review of updates or status of their on-going enhancement planting activities, re- organize their schedule of activities, as well as to plan-out some means and ways for them to accomplish their on-going activities on or before the target date of completion.

On the next day, the team together with the forty-Seven (40) PO Members of MUFA proceeded to NGP CY 2017 bamboo commodity to continuous extended technical assistance and supervision to the PO's of Maruray Upland Farmers Association (MUFA) on their on- going replanting activities such as hauling, brushing, hole digging and planting. The undersigned also reminded the PO's to be particular with the 5x10 spacing as deemed necessary. Moreover, the undersigned monitored the area and took geo-tagged photos as means of verification.

The PO replanted a total of 700 potted bamboo rotted cuttings such as Kawayan Tinik and Kawayan tiring.

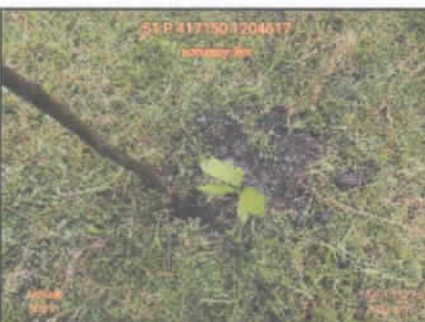

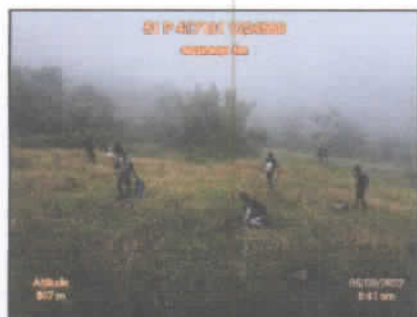

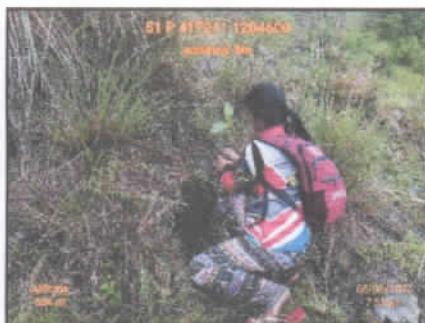

As of the date, the undersigned assessed/validated the target under the 3rd quarter activities as per stipulated on the table below.

Table 1. 3rd quarter Accomplishment on Enhancement planting of NGP CY 2015 & ENGP CY 2017 Graduated Site

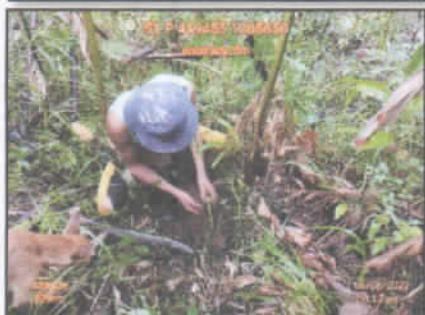

Activities	Target	Accomplishment (%)	Remarks
Site Preparation (brushing, Ringweeding, hauling, staking, hole digging and planting)	NGP CY 2015 62.0 hectares	100%	Activities under enhancement planting were successfully undertaken/ conducted and accomplished by MUFA members.
Site Preparation (brushing, Ringweeding, hauling, staking, hole digging and planting)	NGP CY 2017 15.0 hectares	100%	

The undersigned collected a photo documentation from PO Leader Melchor Tubale under the enhancement planting of NGP CY 2015 & ENGP CY 2017 project as means of verification.
