**MEMORANDUM**

**FOR :** The PENR Officer  
DENR Province of Antique

**THRU :** The CENR Officer  
DENR, CENRO Belison

**FROM :** **DONNA E. AMARAN**  
Focal Person, MARIRIEDEP

**SUBJECT :** **WEEKLY ACCOMPLISHMENT REPORT ON THE ACTIVITIES UNDERTAKEN IN MALANDOG RIVER**

For the period **August 2-5, 2022** the DPWH dredging and hauling operation was temporarily suspended due to repair of amphibious excavator and also the presence of fishing vessels docking in the river to seek refuge against thunderstorms brought by Southwest Monsoon, which developed for almost 2 weeks ago and hamper the regular operation.

The PENRO hired Bantay Suba daily maintain and clean the eco-tourism area and its facilities including the temporary detachment/bunkhouse and its surroundings.

**PHOTO DOCUMENTATION**

*Bantay Suba hired by DENR PENRO Antique on their regular work activities, cleaning and beautifying the DENR temporary detachment/bunk house and its surroundings, but when the rain come they would gather at the bamboo hunt to protect themselves from getting wet.*

*Part of beatification activities is to replace the dead plants and pulling of grasses even picking of used plastics from the plant boxes which the passersby would throw despite the presence of garbage sacks placed in the park.*

Photo on left side is Punong Barangay Helen Grace Nomat standing with PNP member of PPO Antique at the background during their Zumba-Turismo Activity held at Malandog Activity Center, Brgy. Malandog, Hamtic, Antique. Center photo is a photo ops with SB Gil Checa, PB Nomat, PNP Officer and some Zumba goers, while photo on the right are Police Officers took picture for a souvenir.

In coordination with LGU Barangay and Municipal, the Police Provincial Office- Antique hold their Zumba- Turismo Activity in Malandog Activity Center, Brgy. Malandog, Hamtic, Antique.

The DPWH RO-6, Floating Division desilting and hauling operation of Malandog River suspended due to repair of Amphibious Excavator. The unit operators and maintenance staff were now in two weeks of re painting and repair works.

*The previous week situation of Malandog River when the fishing vessels would dock to seek refuge against strong wind and waves brought by Southwest Monsoon.*
