**MEMORANDUM**

**FOR :** The CENR Officer  
DENR CENRO, Belison

**THRU :** The Chief, Conservation and Development Section

**FROM :** JESSER F. HERBILLA  
Forest Extension Officer/Site Coordinator

**SUBJECT :** **NARRATIVE REPORT OF ACCOMPLISHMENTS OF THE UNDERSIGNED AS PER TRAVEL ORDER DATED AUGUST 9-12, 2022.**

In compliance to the travel order dated August 9-12, 2022, please be informed that the undersigned travelled to So. Libudon, Barangay Walker and Barangay Insubuan, San Remigio, Antique.

Prior to the said activities, the undersigned properly coordinated with PO Officers for courtesy and discussed the purposes of travel while following proper guidelines and protocol of new normal situation.

The undersigned also facilitated the collection of fruit trees wildlings of Bread fruit, Tisa and kaimito to be brought for augmentation of the planting materials of WUFLA.

Also collected old campaign materials/flyers to be used as markers attached to sticking for easy identification of their re-planted seedlings.

The undersigned also observed that past re-planted madre de cacao (kakawate) cuttings by the PO were uprooted and being feed and eaten by some cattle which grazed inside the enhanced NGP project of WUFLA (fruit tree commodity) and IFA (bamboo and fuel wood commodity).

The undersigned also observed that there is a portion of NGP CY 2015 of WUFLA that was eroded due to prolonged rain which loosen the soil.

As usual in preparation for the incoming validation the undersigned instructed the PO to double their time and effort in their remaining unfinished business to attain higher survival rate. The PO also committed to accomplished their target on or before August 15, 2022.

**RECOMMENDATION:**

Unless the adverse owner /claimant will adhere to their signed 'KASUGTANAN' between this office it is highly recommended by the undersigned that the agreement must be studied thoroughly in order that it will not be disadvantageous/detrimental to the government and to the PO concerned which contracted the NGP Enhanced project due to over grazing and incapacity of the concerned claimant to re-plant and care for the out-planted seedlings.

**PHOTO DOCUMENTATION**

Continuous enhanced re-planting of WUFLA and newly re-planted Indian mango seedlings.

Continuous re-planting of IFA bamboo commodity, uprooted madre de cacao (kakawate) being grazed/feed by the cattle at NGP CY 2014 fuel wood commodity of Insubuan Farmers Assn. (IFA).

Eroded part of Enhanced NGP CY 2015 of WUFLA and herds of undesirable cattle which is detrimental to the NGP project.

For information and record.
