MEMORANDUM

FOR : The CENR Officer
DENR, CENRO. Belison, Antique

THRU : For. Russel Y. Rizado
CDS, Chief/ NGP Coordinator

FROM : FEO FELIMER M. FULGENCIO

SUBJECT : **NARRATIVE ACCOMPLISHMENT REPORT ON THE APPROVED TRAVEL ORDER DATED JULY 28-29, 2022.**

In compliance to the approved travel order dated July 28-29, 2022 please be informed that the undersigned undertook and accomplished the following activities, to wit:

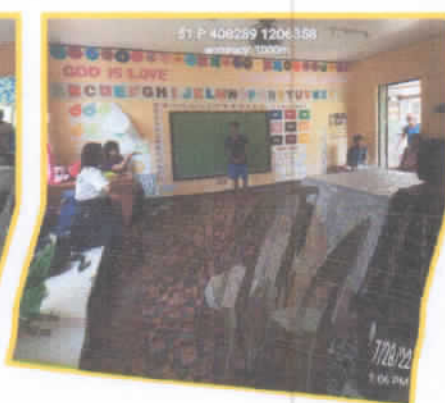

On July 28, 2022 the undersigned together with PENRO Personnel headed by DMO III Leila S. Butiong and FEO Janeth Operiano travelled to Brgy. Orquia, San Remigio, Antique to conduct site visit on E-NGP CY 2020 plantation and IEC meeting to the PO members of Orquia Farmers Association regarding on proposed pilot livelihood project offered to the association. During the meeting DMO III Leila S. Butiong discussed the importance of the proposed livelihood thru inter-cropping of high valued crops within bamboo plantation specifically Cacao (*Theobroma cocoa*) and Palawan (*Colocasia esculenta*). On this proposed project the PO will be trained on the post-harvest processing and finished products such as taro chips for Palawan. Moreover, in the long run when the project was already established the association will be serves as a trainer and will train the other PO to adapt the livelihood as part of collaborative effort imposed by the department. As a result, the PO were willing to accept the project and by the next meeting will be assigning of committee for livelihood project. After the IEC meeting the team together with PO members headed by PO President Charlie Victoriano proceeded to bamboo plantation to identify the area suitable and to be inter-cropped with cacao commodity.

On the following day, July 29, 2022 in connection on the hauling of the requested seedlings from Aklan Mechanized and Modernized Forest Nursery (MMFN) for the Enhancement of NGP Graduated Sites the undersigned together with FT I Maria Luisa R. Canagyda, LGU San Remigio and the members of Bulan-bulan Upland Farmers Association (BUFA) proceeded to Brgy. Jawili, Tangalan, Aklan. Prior coordination with nursery in charge for the preparation of the requested seedlings and provision of bamboo poles for the construction of seedlings rack were done. Hereunder is the list of the availed seedlings to wit:

NAME OF BENEFICIARIES/LOCATION	NO. OF SEEDLINGS AVAILED FROM MMFN	SPECIES	REMARKS
Bulan-bulan Upland Farmers Assn./ Brgy. Bulan-bulan, San Remigio, Antique	24, 615	Narra, Acacia Auri & Coffee	The seedlings availed will be replanted to NGP CY 2014 site per target this 3 rd quarter for enhancement.

A total of 24, 614 seedlings were hauled/ conveyed from Aklan Mechanized Nursery to the drop – off point of Brgy. Bulan-bulan, San Remigio, Antique. The seedlings will be utilized for the enhancement of NGP Graduated CY 2014 site. Per commitment of the PO, they will fast track the planting activity to ensure that most of the seedlings will attain high survival since rainy season is observed. Geo-tagged photos were also undertaken.
