MEMORANDUM

FOR : The CENR Officer
DENR-CENRO Belison

THRU : The Chief, Enforcement and Monitoring Section
DENR-CENRO Belison

FROM : The Forest Ranger's/LAWIN Team I

SUBJECT : **ACCOMPLISHMENT REPORT IN THE CONDUCT OF LAWIN FOREST
AND BIODIVERSITY MONITORING SYSTEM**

This is in line with the implementation of LAWIN Forest and Biodiversity Protection System using the Cyber tracker being undertaken by the Enforcement and Monitoring Section. The LAWIN Patrol Team I had conducted foot patrol within the timber land area of Barangay San Ramon, Laua-an, Antique.

On July 12-15, 2022, the LAWIN Patrol Team I headed by our team leader FR. Chris Patrick R. Dalumpines, FR's Melquiades H. Panaguiton and FR. Warren J. Sustento members, conducted patrolling and monitoring activities in the timberland area of Barangay San Ramon Municipality of Laua-an, Province of Antique.

Upon arrival at Barangay San Ramon proper the team coordinated to Brgy. Captain Hernando Samillano and talked about the purpose of our travel, the team asked for his assistance or to guide us and he refer Mr. Tony Ubaldo and Mr. Joven Samillano thereafter, the team proceeded to the timberland area.

Upon reaching in the timberland area, the starting point, the team opened the Cybertracker application and took geotagged photos of the team's members and started the foot patrol. During the foot patrol a 100 meters' distance or every 15 minutes walked by the LAWIN team through Cybertracker application, observed different threats.

Below are Findings and Observations:

1. The established patrol route has an elevation of 900-1000 meters above sea level.
2. The forest conditions observed were composed of early secondary growth forest species like Payhod, Toog, Pagsahingin, Antipolo, Tan-ag, Gmelina, Narra, Mahogany, Balud, Ipil-ipil, Native Lumboy, Dungon, Kapok, Tapuyay, Pangadlawan, Alibangbang, Inyam, Manga, dita and other miscellaneous trees species.
3. There were areas with open-uncultivated and dominated by cogon and giron.
4. There was a scrapes of Visayan Warty Pig and nest (Dugmon).
