FROM : FT II SALVADOR B. MORILLO
FEO JUDY JOY S. ORTIGAS

SUBJECT : **NARRATIVE REPORT AS PER TRAVEL ORDER DATED JULY 26-29, 2022**

In compliance to the travel order dated July 26-29, 2022, the undersigned namely: FT II Salvador B. Morillo and FEO Judy Joy S. Ortigas travelled to Brgys. Igsoro and Yapu, Bugasong, Antique to continuously supervise and monitor the PO's of IgUFA on the construction of SWIS, extend technical assistance on the 3rd quarter maintenance and protection activities of 50.0 has E-NGP CY 2021 project and conduct IEC meeting to the PO's of YISFUFA with regard to the enhancement planting activities of NGP CY 2012.

On July 26, 2022, the undersigned travelled to Brgy. Igsoro, Bugasong, Antique. Upon arrival, the undersigned properly coordinated with BOD/PO Leader Roger O. Taniongon and discussed to him the purpose of the travel as well as the status/updates on the activities conducted in the area in connection to the construction of SWIS.

On the following day, the undersigned proceeded to the project site to assist and supervise the POs of IgUFA on the remaining activities in the area such as paint works, cement pouring on the springbox manhole and installation net/screen on the surface of water source and spring box to secure the area from fallen debris. Prior to the activities, short orientation and delegation of activities to the POs were conducted in order to fast track the remaining site works in preparation for the final billing. Thereafter, the undersigned together with PO Members Roger O. Taniongon and Des Manuel proceeded to E-NGP CY 2021 sites to monitor accomplishment of PO's/contracting families of So. Nawili on the 3rd quarter maintenance and protection activities. Hereunder are the findings/observations on the area, to wit;

- Scheduled maintenance and protection activities for the 3rd quarter such as replanting and ringweeding were conducted by the POs on the area.
- Some of the outplanted Bamboo rooted cuttings had already developed new shoots and leaves.
- As observed, some of the planted Bamboo rooted cuttings were suppressed by cogon/giron and others were stunted and exhibit yellowing of leaves.

After the monitoring, the undersigned headed back to the SWIS bunkhouse and supervised/assisted on the remaining site activities. As of to date, the POs already accomplished the targets on the construction of SWIS. Final request for billing was already submitted by the association to DENR CENRO Belison.

On July 29, 2022, the undersigned travelled to Brgy. Yapu, Bugasong, Antique to conduct IEC/meeting to Barangay Officials and PO's of YISFUFA with regard to the 3rd quarter enhancement planting activities of NGP CY 2012 graduated site. Upon arrival, the undersigned properly coordinated with Punong Barangay Chrisanto M. Legaspi and PO President Lucerio J. Mohong and discussed to them the purpose of the travel.

The IEC/meeting started at 10:30 in the morning and it was attended by 51 PO members. PO President Lucerio J. Mohong presided the meeting with the following topics/agenda discussed, to wit;

- 2nd Quarter Budget and Processing Expenses
- 3rd Quarter Targets and Budget
- Issues and Concerns
- Other Matters
 - Schedule of planting
 - IAC Monitoring

Recommendations/Agreements:

1. No work, No Pay/ attendance based on all activities in the area.
2. Prior to the scheduled planting, the POs agreed to conduct IEC meeting with all the members of YISFUFA to strategize all the scheduled activities.
